The fourth annual roll call of the American Red Cross began today, November 11, Armistice Day, and ends Thanksgiving day. S. C. Vaughn has been appointed chairman of Elrod, it is hoped to secure 2500 new wreaths of membership in Nicholas county at $1 each. Never was the week of the Red Cross Society as influentially forced upon citizens of Nicholas county as in August of this year when $5,000 was sent here by the National organization to relief sufferers of the flood. For this reason, if for no other, every body should join in and help make Nicholas county should be a member of this great humanitarian society which is still the "Greatest Mother In the World."
