

# The Voice of the Pack

By EDISON MARSHALL

CHARLES H. BEE

CHAPMAN

As the pack animals are being used in the mountains of the West, the pack animal is becoming more and more important. The pack animal is the only animal that can carry heavy loads over rough terrain. It is the pack animal that has made the mountains of the West accessible to man. The pack animal is the pack animal that has made the mountains of the West a part of our life.
