GIVE US BACK OUR "DISKY"

We venture to say that the branch of the L. & N. which serves Carlisle is the only branch of that railroad where the passenger train service is even worse than during the war. In those strenuous days, we felt down mere comfortably, arise at the same hour, drive to Lexington and take the Southern, reaching Cincinnati somewhat earlier. As most of the travel from this branch is to Cincinnati rather than to Louisville, we can see no reason for advancing this train on the schedule.

A line line from Paris has helped to relieve the situation to some extent. A continuation of the improvement would help even more. Doubtless the need for the interchange will eventually bring it to us, but in the meantime, we urge our citizens to petition the "powers that be" of the L. & N. to give us some train service, to put the "disky" back on the schedule.

NOTICE FOR BIDS

It is ordered by the Court that sealed proposals addressed to the Fiscal Court of Nicholas County, Ky., be received by said court at the court house in Carlisle, Ky., up to and including 11 o'clock, a. m. of Friday, April 29th, 1921 for the repair or improvement of the Upper Blackmore turnpike in Nicholas County, beginning at a point on said pike near the residence of Hugh Highland and running to the Bourbon County line, a distance estimated in length.

In making bids for the repair or improvement of said turnpike bidders shall make their bids as much per rod for hauling, breaking, spreading and dirting, also necessary ditching along said Turnpike.

MYERS

This coming Friday conclusive our school term at this place. We have had a very pleasant year having had the splendid cooperation of trustees, patrons, students, superintendent, and the county board, all of whom are necessary to make a year successful. We take this method of thanking one and all for their splendid hospitality, help at suppers, entertainment and in various other ways. Expecting to see a large crowd and boys and girls who were always ready to make our visit to report a success. They deserve the credit for any improvements on and around the building, also part of the credit for having had two months' session of school. We leave Myers with a kindly feeling toward each and every one and would like to see the very best made for the splendid boys and girls there. So Lucky's, more promising, boys and girls can be found anywhere as do all in your power for them.

As was stated last week Mr. Fred Conley, of Tompkinsville, will teach the Bascomlawnie normal at 4 o'clock Thursday night. Do not fail to be present at the first normal of the kind preached, at Myers in honor of the first High School graduate, Miss Blanche Fuller. Also do not fail to be there on the morning of the close of the graduation exercises to be held at Moorefield on the evening of May the fifth at eight o'clock. Come and show your appreciation of the fact that Myers has a high school and that this County High School Commencement.

Our pie supper Saturday night netted thirty-three dollars. Thanks to the boys and girls, the auctioneer and all who assisted so willingly.

We would also announce the opening Sabbath School at this place. It is splendid but how much better it could be if all would lend their presence and a helping hand. The first Sunday in May is Go to Sunday School day. Why not start on that day? The two most effective times at work today, be split-shifted, one in the day and day schools. Get behind them or with them and boost. Be a booster not a hooster, or a knocker and see how much happier you will be.

OAKLAND

Mr. and Mrs. Ivan Shaw spent Saturday night and Sunday with Mr. and Mrs. Jesse Everly.

Mrs. Sarah Hancock spent Sunday with her father W. H. Hudnall.

Ed Futrill, of Battery Creek, spent Sunday with his mother, Mrs. Ann Paris.

Mrs. Russell Lawrence spent Saturday with Mrs. Zora Rigby.

MORNING GLORY
