ANOTHER CARLISLE CASE
It Proves That There's A Way Out for Many Suffering Carlisle Folks.

Just another report of a case in Carlisle. Another typical case. Hosts say ailments relieved in Carlisle with Doan's Kidney Pills.

James Barlow, 317 Dorsey St. says: "I cannot recommend Doan's Kidney Pills too highly. I have used them and they did me more good than any remedy I ever took. I had tried almost everything I heard of for relief. I have done a lot of heavy work in my time and often took a heavy lift. I blame that for the starting of this trouble. I had been so bad with my back I could hardly get out of bed of a morning and would have to just drag myself out. There was a dreadful pain through the centre of my back and it put me past going for a time. I would get light headed and dizzy and could see black specks before my eyes. As soon as I began using Doan's Kidney Pills from Tammatt's new Watkins & Squires' Drug Store I got relief and three beans ended me."

SOUR STOMACH INDIGESTION

Thedford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.

East Nashville, Tenn.— The efficiency of Thedford's Black-Draught, the genuine, purely vegetable medicine, is wonder for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver.

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught available in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Thedford's Black-Draught liver medicine is its original and only genuine. Accept no imitations or substitutes. Always ask for Thedford's. E 60

53 YEAR OLD MERCURY FOUND IN OLD PAPERS

Newton Brothers brought to this office last week two issues of The Mercury, one bearing the date of October 28, 1863, one April 15, 1875, and one June 15, 1878. The latter, not being the oldest, is naturally of more historical value.

The Mercury is advertised as being a "business and family paper with a large and increasing circulation throughout Nicholas and adjoining counties, which makes it an excellent medium."

Among the merchants and professional men advertised in the issue are the following: James Kern & Son, foreign and domestic dry goods, groceries, etc.; Kern & Flash, livery and training stable; James E. Milward, boots, maker and dealer; jewelry; Waugh, Adair & Ewing, general merchandise; Howard & Mock, dealers and manufacturers of tinware; Tribby & Tutle, successors to J. G. Duvall, general merchandise; Beverfield; Mrs. Mag Howard, agent for Florence Sewing Machine; Gilbert & Parks, wholesale and retail dealers in groceries, provisions, etc.; George B. Martin, licensed auctioneer; Hugh O'Brien, insurance agency; Silas & Fisher, merchant tailors; Mrs. V. D. Robertson's Select School. Many advertisements of Maysville, Millersburg and Paris merchants are carried in the paper.

R. W. Pitts, sheriff of Nicholas county, warns voters that the election for 1868 are due and must be paid.

Only four voters were cast for Grant for President in the East Union precinct. Seventy-five were cast for Nicholas county "by a large and respectable majority," the vote being 75,000.

We thank God and the Kentucky people, no Radical is elected to Congress from Kentucky.

Where One Gallon Equals Two

Quality does tell! Measured by covering capacity and length of wear, one gallon of Hanna's Green Seal Paint proves itself equal to two gallons of so-called "cheap" paint. Isn't it better than the ingredients that go into it.

HANNA'S GREEN SEAL PAINT
contains only highest grade ingredients, universally recognized as necessary in making good paint. If a paint is sold at a ridiculously low price it simply means that it is lacking in these necessary ingredients and contains cheap substitutes. The exact formula is printed on every package of Green Seal.

HUFSTETTLER ANNOUNCES FOR RE-ELECTION AS MAGISTRATE

In the proper column of The Mercury this morning will be found the announcement of C. B. Hufstettler, as a candidate for re-election for Magistrate in the Fifth Magisterial District, subject to the action of the Democratic party at the August primary.

It was only after earnest solicitation of numerous friends that Mr. Hufstettler decided to enter the race for re-election. He has made a very capable officer, has served his term, and no doubt if re-elected will make the office the same attention as in the past.

Despite his fifty years of age and being quite smaller in physique than his assailant, Rev. B. F. Atkinson, the pastor of a Louisville Presbyterian church, severely beat, choked and frightened away a negro assailant who attacked him in his home Sunday night.

William Sanders, a farmer of Montgomery county, accidentally shot and killed his wife near Mt. Sterling Friday. Mr. Sanders had his shotgun on his shoulder, going to shoot hawks. When he started through a door the gun struck the casing and discharged, the charge striking the woman in the side, killing her instantly. She leaves five small children.

REV. BOLTON RESIGNS AS PASTOR BAPTIST CHURCH

Local Pastor Will Go To Paintsville To Assume Pastorate of Baptist Church In That City

At the morning services at the Baptist church last Sunday morning, Rev. B. V. Bolton tendered his resignation to the official board as pastor. The resignation will probably be accepted. The resignation is effective the latter part of May.

Rev. Bolton has been extended a call to become pastor of the Baptist church in Paintsville and will enter upon his new duties the first Sunday in June. Several weeks ago Rev. Bolton preached a sermon at Paintsville, and a call was extended to him at that time, but he requested that he be allowed to consider the proposition. However, a more flattering offer was made him and he decided to accept.

The many friends of Rev. Bolton and family in this city and county will regret to see them depart from our midst, but congratulate him upon the promotion. He is also pastor of the Shiloh Baptist church, devoting part time to each church. Rev. Bolton is an able preacher of high ideals, and is one of the most popular pastors the local Baptist church has ever had.

Rev. Bolton has been pastor of the Carlisle Baptist church for about seven years, coming here from Mississippi, where he was pastor for two years. Previous to his Mississippi pastorate he was pastor of Louisville church for seven years.

Rev. Bolton is a graduate of Georgetown college, and during his six years' service here the church has made more progress than perhaps any church located in its history. A handsome new parsonage has been built, improvements have been made to the church, Sunday School and B. Y. P. U. have been established on a firm basis, and much other good work accomplished. Last year was the most successful year in the history of the church. The congregation gave for missions as much for missionary work as they did the year previous, eleven additions were made to the church, and five new deacons were ordained.

Rev. Bolton has receive two calls to become pastor of churches in this county, but did not accept either. In his new charge he will receive a substantial increase in salary and will devote his full time to the one church. The Baptist church will be without a pastor a new house of worship and a new parsonage.

EX-DEPUTY SHERIFF OF BOURBON COUNTY SUICIDES

"Doc" J. O. Marshall, for eleven years deputy sheriff of Bourbon county, committed suicide at Dr. Nevitt's private sanitarium in Lexington last Friday morning by slashing his throat with a razor, death resulting almost instantly.

Several months ago an alleged forgery was reported to the office of the Sheriff of Bourbon county, and a warrant for Marshall's arrest, and several indictments against Mr. Marshall for embezzlement. Pending an investigation and adjustment of his accounts, Mr. Marshall was placed under bond. Friday morning, by signed statement, announced that they would make good every shortage in his accounts.

While awaiting a final settlement of the affairs, Mr. Marshall's health became impaired under the strain and he suffered a nervous breakdown, and was brought to the Lexington sanitarium only a few days previous to his death.

Mr. Marshall was graduated as a Doctor of Dentistry and for a time practiced his profession in Paris, Ewing and Cynthiana. He gave up his profession to return to the farm, where he was engaged as deputy sheriff of Bourbon eleven years ago. He was 41 years of age and was born at the old Marshall home near Millersburg.

Mr. Marshall was one of the most popular men of Bourbon county, and the announcement that he was short in his accounts was a blow to his large circle of friends.

Funeral services were held at the home of the deceased, the house being very large quantity in storage, as compared with this time last year, but interest is being shown in eggs for storage purposes, at prevailing prices.

Live poultry prices have ruled a little easier during the week, as demand for the Jewish holidays has been supplied, and prices in the country are ruling lower.

Optimists and pessimists pull best together when they are far apart.

PRODUCE REVIEW

(Prepared By Swift & Co.)

The butter market is closing the week on a slightly lower basis, due to increased receipts. The market probably will work still lower, until it reaches a storage basis.

Fresh eggs are plentiful on all markets and receipts are greater than for the same time a year ago, with an easier tendency and lower markets at the close of the week. Due to the very large quantity in storage, as compared with this time last year, the indications are for big stocks of storage purposes, at prevailing prices.

Live poultry prices have ruled a little easier during the week, as demand for the Jewish holidays has been supplied, and prices in the country are ruling lower.

REV. CROUCH TO MAKE FINAL DECISION SUNDAY

Board of Officers of Christian Church Ask Pastor to Reconsider Resignation. Announce Decision Sunday

At a called meeting of the board of officers of the Christian Church Sunday afternoon to consider the resignation of their minister, Rev. W. F. Crouch, it was unanimously agreed that he accept his resignation the church would sustain an irreparable loss and leave a vacancy that would be hard to fill, either as minister or teacher of the large Bible class of men, which he has built up during his ministery here.

A committee was appointed to wait upon Rev. Crouch and to insist that he reconsider his action in tendering his resignation. Rev. Crouch assured the committee of his appreciation of their move, and announced that he would make known his final decision at the regular meeting of the board next Sunday, May 1.

Since the announcement of Rev. Crouch's resignation has been made public several regret has been expressed by members of the church over his action, and many members of the congregation have personally asked him to withdraw his resignation. He is one of the most useful ministers the local church has had for several years, and has accomplished a great work during his pastorate here.

Rev. Crouch has been very successful in conducting revival services in this and other States and is considered one of the leading ministers of this denomination in the South.

Mr. Flora was appointed to this office several months ago to fill out the vacancy caused by the death of Henry C. Metcalfe, and during his incumbency has made one of the most efficient member of the fiscal court. Mr. Flora is a large land owner and is keenly interested in the development of better roads. He is a strong progressive ideas and has always been found at his post of duty at every meeting of the court.

Mr. Flora is the only candidate who has announced so far for this office. No doubt if he is nominated and subsequently elected to the responsible position he seeks he will perform the duties in the same business-like manner he has during the past several months.
