## FEBRUARY TERM CIRCUIT COURT CONVENES MONDAY

Judge Fryer Commends County on Absence of Law Violations. Grand Jury and Petit Juries Selected

The February term of the Nicholas circuit court convened here Monday afternoon with Judge L. P. Fryer presiding. Commonwealth's Attorney J. C. Dedman arrived Tuesday morning to look after the insterests of the Commonwealth.

Monday afternoon the following grand jury was empaneled and instructed: M. L. Hollar, Cosby Kenney, Max Ogden, Frank Davis, Ben P. Barbee J. B. Laughlin, Thomas V. Campbell, John B. Wagoner, J. C. Kingsolver, O. R. Gaffin, Luther S. Gaunce and G. R. Snapp. M. L. Hollar was appointed foreman.

Judge Fryer gave the usual instructions to the grand jury and commended the county on the absence of violations of the law. The Judge stated that with the advent of prohibition the work of grand juries has been greatly reduced.

Speaking of the recent nightrider trouble in neighboring counties, the Judge expressed the opinion that there would be no recurrence of these outbreaks, but urged the jury to consider the matter and if they should find any evidence to prove that Nicholas county men were in the band to find an indictment. The non-payment of dog taxes was also referred to the body, as was the failure of parents to send children to school.

## COUNCIL MAY LEVY TAX ON ALL BUSINESS HOUSES

Immediate Need of Street Repairs With No Money in Treasury May Make Move Necessary

At the regular monthly meeting of the city council held Monday night, Mayor R. N. Brock stated to the members of the body that the streets of Carlisle were in bad condition and many of them need repairing immediately. The Mayor stated that the financial condition of the city would not permit this work and stated that, in his opinion, the only way to procure necessary funds for this work would be to impose a tax on every business enterprise and profession in the city. The council moved that the Mayor, together with Councilmen Perry McClanahan and W. M. Roberts be appointed a committee to fix the tax to be imposed on each business and profession and prepare it in the form of an ordinance to be voted upon at the next meeting of the council in March. At the January meeting a tax was imposed upon several of the business enterprises of the city.

Miss Rosa Collins, manager of the Merchants Creamery Co. was before the council and presented a petition signed by about twenty firms who were affected by the special tax. The document stated that the petitioners felt that they were being discriminated against and were victims of class legislation. It stated that they were willing to bear their portion of the burden, but felt that all should be taxed alike.

## RECEIVER APPOINTED FOR THE E. A. MATHIAS CO.

Judge Fryer Appoints John Harvey to Conduct Affairs of Company. Low Markets Given as Cause of Failure

A petition was filed in the Nicholas circuit court last week by Mrs. Mary Mathias, asking that a receiver be appointed by the court for the E. A. Mathias Company, a corporation doing business in this city. E. A. Mathias is general manager of the corporation.

The case was heard by Judge L. P. Fryer at Falmouth and he made an order appointing John Harvey receiver of the business. Mr. Harvey executed bond and entered upon the discharge of his duties. The order states that Mr. Harvey shall take charge of and conducted the coal business of E. A. Mathias Co. until further orders of the court.

The defendant, The E A. Mathias Co., states in an answer to the petition that the business of said company is being run at a loss on account of the depreciation in the markets, especially the tobacco markets, and that the company will suffer great loss on account of such depreciation. That it has a large amount of tobacco, and that it is almost, on account of the low markets, worthless, and on account of this the company will suffer great loss and will be unable to meet its indebtedness that is maturing. That it is to the best interests of the creditors and stockholders that its affairs be wound up, and under the orders of the court, and to that end a receiver should be appointed.

## NEWMAN WILL ASK FOR SMALLER CROP IN 1921

President of Burley Tobacco Growers' Association to Make Proposal at Lexington Meeting Saturday.

Lexington, Ky., February 5—Announcement was made Friday by Jno. W. Newman, president of the Burley Tobacco Growers' Association, that he would recommend a 50 per cent reduction in the 1921 Burley tobacco acreage at the meeting of the association's board of directors which will be held in the Lafayette Hotel February 12, call for which was issued by President Newman Friday morning. In announcing his proposed action, Mr. Newman said that he would urge an even greater reduction in acreage, if the conditions warranted.

Mr. Newman, who has just returned from a trip over the tobacco producing sections of Kentucky, said he believed the proposed reduction would receive the hearty support of landowners and tenants. He declared there was no intention of any attempt to force any reduction on the Burley tobacco growers, but an effort would be made to create a movement for at least the 50 per cent reduction in the crop this year.
