CLEARING SALE

We Clothe The Whole Family
What Is A Clearing Sale ?
It is a sale where the prices are reduced to soon clear the shelves of goods. That is what we have done here.
Thursday, January 6th, 1921,
And continuing through January 15th.
You will find prices on Women's, Men's and Children's wear at near Dress Goods, Silks, Gingham, Staple Cottons, Outing and Shirts at prices you cannot afford to miss. Plenty of Sweaters, Underwear and Hosiery at greatly reduced prices.
Regular prices on Overcoats were \$12.50 to \$60 and these have been reduced to prices ranging from \$9.00 to \$40.00. Men's and Boys' Suits marked down to below the price they will be during 1921. Big reductions on Men's, Women's and Children's Shoes that should move them fast.
Remember no goods have been bought for the purpose of holding this sale but it is all from our regular high-class, serviceable merchandise.
Don't fail to come early-- The very article you want will be the first to sell.
