Here's why CAMELS are the quality cigarette

Because we put the utmost quality into this

one brand. Camels are a good as it's possible

for skill, money and lifting knowledge of a

single tobacco to make a cigarette.

Nothing is too good for Camels. And bear this

in mind! Everything is done to make Camels

the best cigarette it's possible to buy. Nothing is done

simply for show.

Take the Camel package for instance. It's the

most perfect packing system on device to pro-

tect cigarettes and keep them fresh. Heavy paper-

secure foil wrapping—revenue stamp to seal

the fold and make the package airtight. But

there's nothing flashy about it. You'll find no

extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more

than premiums or coupons. And remember—you

must pay the extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest

cigarette you can imagine—and use cellophane

from cigarette factories.

It's Camels for you.
