No Two Good Roads Alone Can Save Driver From Accidents.

Don't Take Speed Road At All Unless You Are a Good Driver.

Auto Driver Who Dies Must Have Done More Than 100 Miles Per Hour, Result of Observations.

It is a common belief that the cause of most road accidents is the speed of the driver. This is true, but it is also true that the condition of the road is a factor. A good driver can handle a bad road, but a bad driver cannot handle a good road.
