THE GENERAL 30x3 "JUMBO" CORD
Here are the figures:
One of 1024 General 30x3 Cords put on users' wheels this year there have been returned for adjustment...

Also Gasoline Saving!
Recent tests by some of the largest Ford Agents in the country proved three and a fifth more fuel per gallon on the General 30x3 Cords, than on fabric tires.

INCREASE CROP PRODUCTION
WE NEED Better Fat For The Month Of March
Remember, that we do Distribute Virginia. Also Direct Shipments, and give the highest market price on both markets.

THE GROWERS TOBACCO WAREHOUSE CO.
We are now getting two sales per week and can take care of every load that comes in.
We are still having good sales and the medium and better grades are gradually showing more strength.

Nicholas Best Flour
If you stepped into a New Series 5-passenger Gray Glenbrook without knowing its make or price and experienced its power, speed and general excellence in actual performance, we would be willing to make this prophecy:
After a single demonstration of its capabilities you would prize the Glenbrook at five hundred dollars more than its cost.
