NEIGHBORING COUNTIES

FLEMING

The Flemingsburg tobacco market closed last Wednesday. About 2,000,000 pounds were sold this year, about the same amount as last year.

Burglars were discovered in the act of loosing the mercantile store at George City last week but were frightened away. Indications supposed upon an effort to get money from safes in other stores, as one account and a good impression on other persons, has been present in a sad section to see any interest in this section.

I inquire lost an tax money collected and road purposes should be sent to me from countercity.

To receive the taxpayers and citizens of Nicholas county are entitled to enjoy new street money is counted on taxes and how that money is expended, and, as provided by law, last an itemize statement is complete and explanations must be published in the county papers. Would I see a favorite of the court, if I am elected, I will insist that the citizens of the county know at all times the financial condition.

I realize that the office of Magistrate is one of the most important in the county, and if the voters of my district will honor me by electing me to the office I seek, I assure you that I will be at my post of duty at every meeting where it is possible to do so, and will endeavor to give a fair and just administration to all.

As a member of a family of seven brothers, all of whom have voted the Democratic ticket all of their lives, and I am the first to ever look public office, and I will state now that this is the last time I shall ever ask for an office, whether I am elected or not. I entered this race at the earnest solicitation of many friends, not seeking for the money that is in it, but for the honor, but because I feel that I am fit of true service to the county.

MRS. MARIA CARTER

I SE V. C. FERTILIZER FOR PLANT BEDS. BEST IN WORLD

I have just gotten in a carload of our V. C. Plant-Food for tobacco beds and gardens. This is the year to make a fine crop of tobacco, and to do so you must have early plants. There is an oversupply of common tobacco that no one wants, but there is no big supply of good tobacco that our American manufacturer can use. So we should use every effort to make a fine crop. Our V. C. Plant-Food will give you strong, healthy plants that mature sooner, so most plants in this section can testify.

We have just gotten a reduction in price and will now sell you this Plant- Food for $2.00 a bag f. o. b. cars, and on Gem Tobacco Grower for $2.75 a bag or $42.00 a ton f. o. b. cars.

TO THE VOTERS OF NICHOLAS COUNTY

In announcing my candidacy for Jailer page in district No. 1 I wish to place before you the platform of principles upon which I now your support. I am a non-partisan candidate for county jailer. I believe that a thorough knowledge of the duties of the office, and a strict compliance to those duties, are more essential than party affiliations. I am not a candidate for any office except that of jailer, and if elected, will not be influenced by any political considerations. I believe that the office of jailer should be conducted in a business like manner, and that the prisoners should be humanely treated, but that they should be kept in such a manner that they cannot escape. I believe that the jailer should be a man of good character, and that he should not be addicted to the use of intoxicating liquors. I believe that the jailer should be a man who is willing to work, and that he should not be afraid to work
