Good painters the to do good work. They are as much interested as the proprietor-owner in seeing that the paint they put on looks good and wears well. The fact means much, therefore, that many painters always use Hanna's Green Seal Paint on every house painting job. They find that

HANNAS GREEN SEAL PAINT

produces the right results. It imparts a beautiful glossy finish; it wears well: it forms a durable film that covers the surface thoroughly without brush marks showing; and every gallon spreads out over a wide area.

In the long run Green Seal is the brand most economical to use on your property.

THAT DULL ACHING

Don't worry and complain about a bad back. Get rid of it! Use Doan's kidneys, lamb and achy backs; your neighbors recommend Doan's Kidney Pills. Ask your neighbor! Read this statement:

R. T. Gaffis, painter and paperhanger, Morgan street, says: "Four years ago I had an attack of kidney trouble. My back ached so my boy had to help me get dressed and there was also a soreness when passing the kidney secretions. My back had a steady dull ache across the center and I couldn't stoop or straighten up without being in misery. The doctor treated for it, but the trouble but I got no relief. I was advised to try Doan's Kidney Pills which I got at Hopkin's Drug Co. This medicine reached my case and I kept on taking Doan's until I was cured. I used three boxes in all and it is a pleasure to recommend Doan's."

It's a clean, genuine, bonafide sale with a reason and purpose. Come prepared to buy as you never bought before, for the entire stock is to be sold.

YOU HAVE NEVER SEEN

a sale like this. It would take us several hours to give you a complete description. You could not take time to read it over. The prices in the store will be far more convincing than cold type. EVERY ARTICLE MARKED IN PLAIN FIGURES. Look for the RED TAGS. Come expecting bargains. Let nothing keep you away.

$75 00 RANGE GIVEN AWAY FREE!!

In picking up a certain magazine last week we noted that its advertising pages contained a 1650-lb ad for the lowly shoe string, another of the same size for a 2-lb package of the amazing tobacco, another of higher price for that staff making razors you —and mash, too; another even higher in price for a bar of soap and others for almost everything from invisible hair nets to automobiles. We don't pay for any fake notices—and still there are a few who say it does not pay to advertise. A manufacturer can carry a series of advertising costing hundreds of thousands of dollars a year to advertise a certain brand of shoe string or other, model articles, what does advertising mean to the retailer?—Exchange.

With every One Dollar purchase a ticket will be given on this Range. The tickets will be numbered. The person holding the lucky number gets the Range. The lucky number will be drawn on the last day of the sale. A ticket on the Range will be given to the first Hundred persons making purchases, regardless of how small the purchase is.

Promptly at 1:30 P. M. on opening day May 7th, five chickens will be thrown from the top of the building with a One Dollar merchandise order tied to their legs. There will be no strings tied to this offer. All you have to do is catch the chicken and it will belong to you together with the One Dollar Merchandise Order.

Now comes "Clean-up Week," with the imprisonment or death of the last fly and mosquito. Is there a fly suffrage business going to stop?	The biggest fraternal gathering ever held in Carlisle was the meeting of Dunbarton Lodge last Friday evening when more than 500 Masons, representing 42 lodges, assembled here to confer the Master Mason's degree on eight candidates.	Next week promises to be a gala week for pupils, patrons and friends of the Carlisle City Schools, and a program has been prepared for each day. Following is the calendar for the week:	The May term of the Nicholas circuit court adjourned last Thursday after being in session four days. The grand jury adjourned and submitted its report to Judge Bryan Fryer:	The County Board of Education met in the county superintendent's office last Friday and appointed the following trustees:	At a meeting of the Nicholas fiscal court held last Saturday contracts for the repair of two roads were awarded. 							THE DEMOCRAT IS RIGHT

WHO 18TH IS?

(Bracken Chronicle.)

From the Cynthiana Democrat the following is taken relative to Bracken county's time to furnish the Democratic candidate for State Senator from this district, but it seems that we have heard of an agreement being reached by the Democrats of this district as to rotation for State Senator, but the matter is not settled and that there will be no squabbles in the future.

Bracken county has been entitled to the Democratic candidate for State Senator from this district for the past four years, and it is now the time for the county to furnish the candidate. Bracken county is the first person to speak.

George Shuter, of near Jacktown, has a fine yoke of oxen he is thrown in the harness and will work them.

Heavy frost last Wednesday night did the tender crops in this section and many have made replanting necessary.

Following delegates from here went to attend State Democratic convention at Louisville: Messrs. Wood, Jno. A. Campbell, James Hill, Wm. Logan, Jr., Geo. W. Brumfield, Jno. F. Conley, H. C. Kehoe, R. S. Beck, E. D. Bramel, Jno. Hite and H. E. Kelley.

In the primary election held last Saturday to nominate Democratic candidates for county offices, Messrs. Ross Preston, Boston, of Robertson county, defeated Jno. F. Conley, of Carlisle, for Sheriff, by about 50 votes. Dr. C. W. Mathers, of Bracken county, defeated Dr. Wash Patterson county, for Representative by 200 votes.
