THE TRIALS OF A HOUSEWIFE

How They Have Been Endured and How Overcome by Lydia E. Pinkham's Vegetable Compound

Experience of a Providence Woman

Providence, R. I.—"I took Lydia E. Pinkham's Vegetable Compound for a female trouble and backache. It began just after my baby was born, and I did the best I could about getting my work done, but I had awful backaches and pains and could hardly stand on my feet. I read in the papers about Lydia E. Pinkham's Vegetable Compound and the good it was doing other women, and I have got many bottles of it, and it has done me more than I can tell you. You can use these facts as a testimonial if you wish."—Mrs. Herbert C. Casimir, 31 Mesa Court, Providence, R. I.

tite. At times I could hardly do my housework. I got medicine from the doctor, but did not get any help. I saw Lydia E. Pinkham's Vegetable Compound advertised in a newspaper and took it myself, and am now able to do my housework. I recommend your medicine to my friends and you may publish my testimonial."—Mrs. Charles A. Beals, R. R. 11, Fayette, Ohio.

An Illinois woman relates her experience:

Bloomington, Ill.—"I was nervous and weak and female trouble kept me so weak I had no interest in my housework. I had such a backache I could not stand a minute, and a nervous headache all the time. I was under the doctor's care for a few weeks, but did not stop taking it, and used Lydia E. Pinkham's Vegetable Compound, and six bottles of it made me as strong and healthy as any woman; and I give my thanks to it for my health."—Mrs. J. A. McQUITTY, 610 W. Walnut St., Bloomington, Ill.

These testimonials from Mrs. Casey, Mrs. Ball, and Mrs. McQuitty will appeal to many women who struggle on with their daily tasks in just such misery. They do not realize that relief is to be had by the use of a medicine beyond belief. They do not dry their tears in their homes for their fathers and beside the daily routine of housework, often make clothes for themselves and for other children, and do work in their gardens, all the while suffering from those awful bearing-down pains, backache, headaches, nervousness, the blues, and other symptoms of female ills. Many a woman has come to the end of her rope who seems great and sad at operation across Lexington Avenue. If such women would only profit by the experience of these three women, and remember that Lydia E. Pinkham's Vegetable Compound is the natural restorative for such conditions it may save them years of suffering and unhappiness.

There is hardly a neighborhood in any town or hamlet in the United States where some woman does not reside who has been restored to health by this great remedy. Lydia E. Pinkham's Vegetable Compound is a tonic and a great invigorator of the female organism. It acts directly upon the female organs, harmonizes them and will recommend it to you. For more than forty years this old-fashioned root and herb medicine has restored health and relieved pain and suffering.

"Lydia E. Pinkham's Private Text Book upon "Ailments Peculiar to Women" will be sent to any woman who will write for it. Address Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Know What He Was Doing.

Photoplay Writer: "Did you like the picture I sent you?"

Film Director: "Yes, I liked it very much indeed, but I'm afraid it's a bit too subtle for that part the leadhorse must have been doing something."

Writer: "Oh, I see. Perhaps he ought to have been horsing around when the camera was turned on him."

Director: "Exactly."

Facts.

"The fact that you're in his house proves that he must be honest enough when he comes to deal with you."

"He's very honest indeed; drivers are scarce and he can't afford to lose me."

The Caveat.

"Whether you're married or single, beware of the girl with the dimples."

"Single are never married, they're always single."

Perfectly Healthy.

Lincoln once interviewed a man who was applying for a position in the army. "Are you a healthy man?" asked the President.

"Yes, sir," was the reply, "I'm healthy as a horse."

"Then you're the man we want," said Lincoln. "Every horse in the army is dead."

Mated.
