Pinkham's Vegetable Compound and the good it was doing other women, so I took it and got a certificate from it and will always recommend it. You can use these facts as a testimonial if you wish."—Mrs. HERBERT L. CASSIDY, 31 Mesi Court, Providence, R. I.

GOOD MANNERS.

A WISE Italian says that you can tell how civilized people are by the way that they use the knife. In some countries the knife is used as a shovel, in others as a shoehorn, in others as a toothpick, and in others as a weapon. In a Fourth peasant's intestine is stirred a stranger in the room of an inn room, he touches but his knife to oppose the intruder, and in the twinkling of an eye he is dead—everywhere now in the world.

In fact, the tendency to hustle and hustle is to push everything to the front, and has been growing of late hastily every day.

Gilbert Frankau, the novelist, is so shocked by what he calls the lack of manners of the day that he regrets that the good old days when everybody carried some sort of weapon and was ready to use it. Offenders would be killed.

Undoubtedly a man with a sword at his side would not indulge in half so much careless and knocking against as the man who now carries a pistol.

The Reformers of the world should be proud of the name Rebecca. Mrs. Rebecca, a later reformer, refused, which means a cord with a noose, to the marriage cord. The designation and the Latin give evidence of the fact that Rebecca is very early times. Abraham, sent to get a bride for his son Isaac, makes her Rebekah. This is the Greek form, which is the one of the earliest today by every young miss who has a fancy for the name of good old Biblical heroine.

Rebecca's religious significance is also shown by the queer way in which history has given to the queen Rebecca has been a great favorite with writers of romance, and Rebecca is the name of one fictitious romance. Van Rebecca who is known for the stories he presents readers are the
