OPENING OF CITY SCHOOL

Tuesday, September 6, Attention is called to the fact that the compulsory attendance law is by the city school board of Carlisle. This law provides that all children between the ages of seven and sixteen years must attend school. Parents are urged to start children to school the first day of school. A late start is always a hindrance.

1915, 1916 and 1917 grade pupils are requested to meet at the city school Thursday afternoon at 2 o'clock.

Bring it to Carlisle, where you get the best accurate test, and where you get the most money. I also am helping to support the only industry left in Carlisle, who is enabling you to get 45c above prices which is 2 or 3 cents higher than other inland towns.
