### It Depends On How You Handle the Tape

The mounting of a suit is the first and one of the most important steps. After that comes right fitting and stitching. The tape is where it comes in making good and holding. I know how to measure. I'm a study of it.

A precision long wear—perfect fit and a style that is yours. If you do not get this in a suit it will not be long.

### Let Me Tape You!

Chicago Eskin Bros. Daylight Factory

Come in now, and talk over with our fitting and measuring men. They will look over the pattern. You will find here just the fabric to suit your taste and at prices you can't get elsewhere.

### BUICK AUTOMOBILES

Don't put off buying that Buick or Dodge Brothers automobile, as all they have orders for and we would advise buying now for later delivery. If he were buying a new car what make he would buy or a Buick or Dodge. Better buy a Buick or Dodge than wish you had.

### MARTIN'S GARAGE

### LET US SHOW YOU HOW SKILLFULLY WITH A GOSSARD FRONT

Lacing Corset we can construct your figure to the very most of which it is capable. Question your fitting in the truth-telling mirror, what you see will convince you that while we will not be eight teen forever and ever the charm of graceful lines and slenderizing proportions may be ours if we buy the right corset.
