People can "SEE" you over the Phone

The Nicholas Home Telephone Co.

Do you ever stop to think how you can really "see" you over the phone? And if you can see other people, too, can you see you. As a matter of fact, the person who sees you over the phone and keeps the other fellow in good humor does more to improve his service than he can possibly imagine. The efficiency and tone of the voice can do wonders to help of his good home.
