METHODIST MINISTERS OFF FOR ANNUAL CONFERENCE

Rev. W. S. Maxwell, pastor of the Carlisle Methodist church, Rev. S. L. Moore, pastor of the Moorefield circuit, and Rev. W. F. Davis, pastor of the Bellwell circuit, are attending the annual conference of the M. E. Church, South, at Harrodsburg, which opened yesterday. Bishop Pust No. 1 is presiding bishop, Va., is presiding at the meeting.

Rev. Maxwell has been pastor of the local church for the past year and during his ministry the church has had one of the most successful years in its history. Over eighty members have been received into the church and the attendance has been splendid. Rev. Maxwell is one of the most able ministers in the Kentucky conference and during his stay here has endeared himself to his congregation as well as other congregations. It is the wish of the citizens of Carlisle that Rev. Maxwell be returned to Carlisle for another year, but in all probability will be done.

Rev. Moore has been pastor at Moorefield for the past four years and his return to the charge at the conference will not be returned to this charge. Previous to his four years at Moorefield, Rev. Moore served four years at Saltwell, making eight consecutive years he has been an active part in civic as well as religious affairs.

Rev. W. F. Davis, pastor at Saltwell, is serving his first year at this place as well as his first year in the ministry. During his pastorate here he has made during the past year, there is no doubt he will be returned as one of the ministers in the conference. Rev. Davis has won the love and esteem of his congregation and other residents of the community who have served that he will be returned to them again.

SAFETY FIRST

Safety First Class Tuesday

The increasing number of cases in which bakers of moonshine liquor are being caught make it look worse than fooling for any citizen to engage in this unlawful practice. The law has teeth and it will be used. Even the illicit distiller will find himself in trouble of a very serious nature if caught with a still without liquor that become liable to confiscation and destruction under the one's property. Better be safe than sorry.

SCHOOL TAXES DUE

AW, NOW!

(Paris Democrat)

A doctor's bill was awarded for beating his wife and he was brought to Paris where he was arraigned for trial. The case was not tried in the city but in the county court by a jury. The charge was changed to drunk and disorderly and he was fined $25 and costs and sentenced him to 30 days in jail, but suspended the sentence during good behavior. We suppose if the doctor had killed his wife he would have been given him a new automobile or a trip to Europe.

FLEMINGSBURG COURT

Yesterday the crowd in town was large and the number of cattle, sheep and hogs here for some months. There were about 2500 cattle in town and 1000 sheep and hogs. The cattle sold, though trade was dragging and the market was about 50 cents per cwt lower than one month ago. The dry weather and the scarcity of stock will have much bearing on the market.

Sharp rains fell mostly from 5 to 6 and before about the same or possibly a little lower.—Flemingsburg Gazette.

Last week The Thirteen Oil and Gas Company, composed of local men, brought in one of the largest gas wells that has been struck in Bath County. With this location they will have no trouble finding a good ready market for their gas. The well shows a pressure of 240 pounds, which is estimated to produce 2,000,000 feet of gas per day. Other wells will be drilled on their lease of 3,000 acres in the near future.—Mt. Sterling Sentinel-Democrat.

It looks now as if the Ford factory at Detroit would be compelled to close down on account of shortage in coal supply, and such would mean, perhaps, no more cars until spring. We have been getting every car possible, with the idea of this close-down and now have on hand several cars we can deliver.

Those wanting cars this fall had best get one of these, or you will take the chance of waiting until spring.

Now is the time to have your Ford car put in order for winter and remember we have a big supply of genuine Ford parts, and the mechanics to put them in.
