WOMEN GIVE OUT

Housework is hard enough when healthy. Every Carlisle women who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Carlisle woman's experience:

Mrs. Belle Stone, 320 Dorsey St., says: "I have used Doan's Kidney Pills and from past experience, I can recommend them highly. My main trouble was with my kidneys. At times they acted too often and then again not often enough. My back ached for weeks at a time and the pain extended down both my sides. My sight became affected and I could see black specks before my eyes. I read in the newspaper of those who had been benefited by Doan's Kidney Pills so I went to Watkins & Squires Drug Store and got three boxes. After using them, I got better. My kidneys acted regularly and the backache has never bothered me since."

Inactive Liver

"I have had trouble with an inactive liver," wrote Mrs. S. Nichols, of 4412 Spencer St., Houston, Texas. "When I would get constipated, I would feel a light, dizzy feeling in my head. To get up in the morning with a tightness in the head and a drowsy feeling is often a sign of the stomach is out of order. For this I took Thedford's Black-Draught, and without a doubt can say I have never found its equal in any liver medicine. It not only clears the liver, but leaves you in such a good condition. I have used it a long time, when food does not seem to set well, or the stomach is a little sour."

If it isn't Thedford's it isn't BLACK-DRAUGHT I Love Medicine.
