UNTIL ENTIRE STOCK IS SOLD
We will continue our sale, until our entire stock of goods has been disposed of. Our business has been most satisfactory and a great many have taken advantage of this opportunity to save money. However, there remains a large variety of fresh, new stock from which to make your selections. If you have not visited our store, come in Saturday. It means money saved.
We have five glass show cases that we will sell for the money. A bargain for some dry goods merchant.
