Blue and Discouraged?
There are many men and women in this town whom life apparently has treated unkindly. Without their friends they struggle against odds.
Yet the church around the corner is full of men and women anxious to help.
Christianity Means Helpfulness
Meet these church people half way. Give them an opportunity to be your friends. "Come unto me and I will give you rest." Thus directed the founder of Christianity. His promise stands today. Test it. Crosses at both ather or business, in school, in the home are more easily borne if one has accepted the assurance that Jesus Christ is ever ready to help.

Turn Onto the Road to Church
Church helps a man from his mental rut and starts him on the highway of right thinking and right living. The longer a man is out of it the deeper they become and the more difficult it is to get out of them.
The church and its community are here to help you out of both mental and social ruts. They provide Christian fellowship and offer the only solution for only the gospel of Jesus Christ. No man ever regretted the time he spent in church or Sunday School. Let us help you out of your ruts—perhaps you will help us out of ours. Come to Church Sunday.

Do You Want To Pay Your Neighbor's Debts
When you deal with a credit grocer, you have to help pay the bad accounts of those who don't pay. Whether you like it or not, you pay your share of her bill. That has to be, or the grocer couldn't stay in business.
When you buy at PIGGLY WIGGLY, you pay only for what you get. And Mr. Neighbor pays for what he gets. If the customer can't pay, or won't pay, she doesn't bother us. PIGGLY WIGGLY can make those prices for every day!

Origin of "Beyond the Pale"
In the time of King John that part of Ireland which was subject to England was divided into 12 counties and the entire district was known as the Pale. From this originated the expression "beyond the pale," meaning outside the law or beyond jurisdiction. Inside the Pale English law was acknowledged and obeyed, while the land outside was in an almost constant state of terror and fear.

Origin of Gas.
There are a thousand uses for gas today, both in the home and factory, and yet only a comparatively short time ago the level-headed Benjamin Sir Walter Scott, was scoffing at a "madman in London who was trying to make a light without a wick," and people, thinking the gas pipes were filled with fire, approached them with fear.

SOUR STOMACH INDIGESTION
Thedford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.
East Nashville, Tenn.— The efficacy of Thedford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without a doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver troubles, and all other troubles that are the result of a torpid liver.
"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."
Many other men and women throughout the country have found Black-Draught just as Mr Parsons describes—valuable in regulating the liver in its normal functions, and in cleansing the bowels of impurities.
Thedford's Black-Draught liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Thedford's. E-91

Dangers in Quinine.
Many cases of malaria are really quinine poisoning. The excessive quinine administered is often large and the smaller doses are continued for too long.

A Sure Reminder.
Perhaps the most original suggestion for a "reminder" was that of the little boy whose grandmother had forgotten his birthday the year before. She wished to know what she could do in order that she should not forget it again. "You might put your teeth in upside down," said the boy.

Better?—to an Ice Wagon.
When two little Irish boys asked a woman to buy an electric curler for a child, she looked from the splintered dirty face to the barefoot one. Without driving to the street they had deduced they are not poverty stricken with eyes focused straight ahead, but when they got out she heard one say: "Now, that's better—ridin' a ice wagon, hain't it?"
