PATENT LEATHER  
The Newest in Footwear  
At An Old Time Price  
Think of it—there's that's what makes you  
consider it a fair price for a good pair of shoes. To many  
of the young women of today it will be altogether a new  
experience to wear this patent leather and strap effects.  
Perhaps they are a number of models that will meet your  
ideas of both style and comfort—ideas that fit and wear better  
than some you've seen marked several dollars higher.

Put them in the trial of service and we will repay it  
to the very best of our ability. Any pair that isn't 100 per  
cent O. K. may be returned.
