The Way to Happiness

Happiness is not a place. It is not a thing. It is a relation between things. We discover it most easily at the end of the path of daily unselfishness when we pass under the shining arch, "Help Another Every Day."

Do a Good Turn Daily

Help the blind or feeble man to cross the street. Carry the packages home for that little old woman. Give a pleasant smile to the clerk who waits upon you. You will feel better and they will. Greet the world with a smile and it will smile back. Christianity is founded on love to others. Attend the church of your choice Sunday and discover by daily effort what the true measure of Christianity involves.

Pilgrims Knew the Bible

Three hundred years ago a little band of men and women lived on faith and hard work in the forests of Massachusetts. They are known now as Pilgrims because they sailed from England to find a place to worship God without restraint. They brought their pastor with them—few modern immigrants do.

Bible Develops Character

The Pilgrims were poor and unlearned, but they knew the Bible. That knowledge developed a type of character we all admire! These first settlers would not be known to posterity had they not been so well acquainted with their Bible. Is your Bible a parlor ornament, or a study book? Read it today around the family lamp. Read it every day.
