Weak Back

Mrs. Mildred Pipkin, of R. F. D. 8, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Nineteen years ago . . . I got down with weak back. It was run-down and no week and nervous I had to stay in bed. I read of

CARDUI

The Woman's Tonic

and sent for it. I took only one bottle at that time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that, . . . when I began to get weak and "no account", I sent right for Cardui, and it never failed to help me."

If you are weak and suffering from womanly ailments, Cardui may be just what you need. Take Cardui. It has helped thousands, and ought to help you.

YOUR TOWN

If you want to live in the kind of a town

That's the kind of a town you'd like,
You needn't slip your clothes in a grip
And start in on a long hike;
You'll find elsewhere what you left behind
For there's nothing that's really new—
It's a knock at yourself when you knock your town,
It isn't your town it's you.

Real towns are not made by men afraid
Lest somebody else gets ahead;
Where everyone works and nobody shirks
You can raise a town from the dead;
And if while you make your personal stake
Your neighbor can make one too,
Your town will be what you want it to be,
It isn't your town, it's you.

SALTWELL'S COMING REVIVAL

As announced in the last week's issue of this paper, the annual revival of the Saltwell church will begin on next Monday night, 7:00 o'clock, October 23rd. Pres. Howard, the evangelist engaged is expected to be with us the first night's meeting. The services will be held at 10:00 o'clock each morning, and at 6:30 at night with the exception of the first.

We count ourselves fortunate in securing this man of God as commander of the forces of righteousness against the legions of the enemy. With his wide experience as Conference Evangelist of the M. E. Church, South, and his numerous years work as pastor, we are sure to have one who is familiar with the problems that will confront him, and competent, his forceful handling of God's Word under the unction of the Spirit will be the means of prompt conviction to those who are without the Ark of Safety, and of edification and growth in grace to those who have tasted God's grace.

IN RE: MISTAKES

When a Plumber makes a mistake, he charges twice for it.

When a Lawyer makes a mistake, it is just what he wanted, because he has a chance to try the case all over again.

When a Doctor makes a mistake, he buries it.

When a Judge makes a mistake, it becomes the law of the land.

When a Preacher makes a mistake, nobody knows the difference.

When all Electrician makes a mistake, he blames it on Induction; nobody knows what that means.

When a Printer makes a mistake, he gets the "devil."

But when an Editor makes a mistake—GOOD NIGHT!

—Arthur Unknown.

The soldier who is aflame for his cause is esteemed, must lay aside all personal interests and duties and follow the order of his commander. Christian soldier, can you afford to be negligent in your duty during this revival, in attendance upon the services, in prayer, in personal work, when the issues at stake are so great? Let us go in to this battle with the love of God as a consuming passion, and then, and then only can God bless in the salvation of the multitudes.

To those who have not found Christ precious in their souls, we would warn with the solemnity of Ezekiel, "The soul that sinneth, it shall die." And with this warning, we earnestly invite you to come and be with us during this special campaign, that God may have a chance at your heart.

We are praying for and expecting a mighty visitation of God's Spirit among us during these coming days, and we cordially ask all who wish to enjoy this feast of good things to come and be one with us.
