the SEASON SALE

\$1.98

The warmest September in many years has left us with a store filled with fall and winter goods and an empty cash drawer. We have the goods and you have the money, and we have made up our minds to trade you our reseasable merchandises the prices that will mean a saving for you in the end.

The first frost has fallen and old winter will be on us before youknow it. That means heavier clothing, and nearly always you must buy it this early in the season at higher prices than hiere of the store of the prices that hiere and the prices that here are the prices are the pric

Think of it! Right now in the "Heart of the Season," when people must have fall and winter clothing, we are offering you bargains that are usually offered in late January and February.

There's reaon, as we fold you shove: Our stock is complete, but our cash drawer is empty, owing to the numually warm weather we have had. We naturall capedred more profit on the goods we are offering, but the Weather Man interesting the control of the control o

Read this advertisement carefully, be one of the first to take advantage of this opportunity. People are going to realize that a sale of fall and winter goods in October is an opportunity not to be missed. Be among the first, before our stock
