'BACK TO THE HORSE' MOVEMENT
The Farmer is Finding the Horse Less Expensive than the Tractor—A Striking Array of Figures Collected by the Horse Association of America

The horse is finding the tractor less expensive than the horse. This is the message of a report issued by the Horse Association of America. The report shows that the cost of a horse is now less than the cost of a tractor. This is a significant change in the way that farmers are thinking about their equipment.

The report also shows that the cost of a horse is now less than the cost of a tractor. This is a significant change in the way that farmers are thinking about their equipment. The report is a clear statement of the value of the horse as a piece of farm equipment.

The report is a clear statement of the value of the horse as a piece of farm equipment. It shows that the horse is now a more economical choice for many farmers. This is a good thing for the horse industry and for the farmers who depend on it.

The paint job should always be a quality job—for in a quality job one will find true economy. The original cost may be a trifle higher than the average, but you are getting a lasting and beautiful finish for a long time. Let us show it to you.

THE GOLDEN RULE ON PARTY LINES
There is no better place to practice the Golden Rule than in the use of party lines.
The best plan to follow is to yourself in the place of the other user of the line and answer yourself accordingly. No matter whether you called or were the phone you would not use the party line more than FIVE minutes at a time. As soon as your time is up you should say, "I believe our five minutes are up, I'll call you later."

Armour's
Burley Tobacco Grower
You Can't Feed a Horse From An Empty Trough

And by the same rule your tobacco plants cannot thrive the nourishment they require for the most profitable yield unless you add certain of the essential plants in correct proportions. Just as the trough holds the feed for the horse, the soil holds the food for the plant.
No matter how good your soil, the feeding of hungry crops will not be another in bound to deplete your supply of plant food unless you rest it. Even the feeding of crops cannot put back into the soil all the food your plants require in exactly the necessary proportions.

How Armour's 3-8-6 Can Increase Your Tobacco Profits
Armour's Big Crop Burley Tobacco Grower (3-8-6) is composed of ALL the plant foods that science has proved the tobacco plant requires to produce the finest quality of leaf and biggest profits.
Armour's Big Crop Burley Tobacco Grower is No Experiment

Buy Armour's 3-8-6 And Grow Quality Crops
Armour's Big Crop Burley Tobacco Grower is the best tobacco fertilizer of plants taking any problem. It is the most "nutritional" tobacco fertilizer ever formulated. It contains all the essential plant foods that science has proved the tobacco plant requires to produce the finest quality of leaf and biggest profits.
