

FOR GOVERNOR J. C. CANTRILL

The Man Who Can Lead Democracy to Victory in November

A Democrat, who, if nominated, is sure to carry the banner of Democracy to victory next November. And that is what this Primary is all about, after all-to pick a winner in November.

A man, who being latterly assailed by his opponent as two Louisville newspapers, of unerring political faith, being slandered by canards and unfair insinuations, has maintained his dignity and refused to indulge in a word-swinging contest.

A man who was responsible for the passage of a bill which prevented the Trust from "grabbing" the farmer's tobacco, on a "conspiracy" charge.

A man who stands for the Legislature and the Legislature alone can decide the vexatious issues which his opponent pledges himself to accomplish single-handed.

A man who does not make impossible promises, in order to catch votes.

A man who realizes that the Legislature and the Legislature alone can decide the vexatious issues which his opponent pledges himself to accomplish single-handed.

The man to recall Kentucky from her Republican diversion of four years ago.

A Man Well Worthy Of Your Vote
