impress the importance of either buying now or putting in their order that they may be in position to get the car when wanted. The prospect
now is for the greatest demand for Ford cars this year in the history of the Ford industry, and it looks as if we would have to take orders and deliver in order of sale. In patting in your order you have everything to gain and nothing to lose, for if the price should go down you get the benefit, or should it advance you would have the right to pay the advanc-ed price or cancel the order. Don't neglect this if you want your car on

IT is with much gratitude to the public that we now

close this our forty-first year of business, for the liberal

support and patronage during all these years, and we extend to each and every one

of you the wish that 1923 will be all that you hope it to be, and express as our

hope that you will be as kind to us in the future as you have been in the past,

promising you to do our best to serve you.

Prices on practically all makes of tires have increased from 71-2 to 15 percent.

We have a large stock of tires we bought at the old prices and expect to sell them at the old prices.
