FORDSON TRACTOR

On Thursday, March 1st, we will have a Tractor man from Ford Motor Co., at our place, and we would like for every person in the county who is interested in a Tractor to come in and let him explain the Fordson in detail to them.

Now is the time to arrange for your spring work, and as a money and labor saver on the farm nothing will equal Fordson. The price, only \$425 delivered, ready to work, is lower than horsepower, and when you consider what can be done with it in comparison with horses, everything favors the Tractor.

FORD CARS

There wi a the greatest sale this spring of Ford cars ever known, and those who delay buying now, or putting in their order to be delivered in spring will doubtless find themselves disappointed in getting delivery when the spring rash comes in. Put in your order one and subsequently the months of the property of the spring rash comes in. order now and make sure of delivery when wanted

We have on hand several second hand cars, and if you are in the market for such, we would like for you to see them before you by.

GOODYEAR TIRES

We have the most complete stock to be found in this part of the country, and it is not necessary for us to tell you about their quality, for their wear, long service and general satisfaction to the user are too well known.
