Your Horses' Teeth Can't Be Repaired

When your horse's teeth go bad he can't chew his food properly—so he bolts it. The oats slip through the teeth with the hulls unbroken, and the corn is not sufficiently ground. The digestive juices cannot act on the grains, and they pass through the body undigested and wasted. 15% of the oats fed is often lost in this way.

Feed your horses and mules Tuxedo Chop—the balanced ration. The oats are rolled, the corn crushed. It contains just those food elements which the horse requires, in the most easily digested and assimilated form.

Stop waste and keep your horses healthy by feeding Tuxedo chop. The Tuxedo Primer tells how. Let us send you a copy. SOLD BY

THE MISSION OF A NEWSPAPER

There are some people who take the view that a newspaper is a garbage bucket into which anything may be dumped. Mistake No. 1.

There are some people who think that a newspaper is published only to serve their selfish interest and throw the business office the cold shoulder. Mistake No. 2.

There are some people who think that a newspaper should print what is obviously advertising matter without an accompanying notice that it will stop a running something for monetary consideration.

The mission of a newspaper is to print news of general interest. Advertising is a necessary evil. Any paper concerning a single individual is not news and should be charged for at the same amount as a corporation is charged. Numerous other things of a like nature that should not go in a newspaper office are not news. It is not hard for a man to distinguish between a boost and a knock. There is not a sort of clothes to that one who knows the store and asks for them. —Exchange.

A CARD FROM WM. RIX HIX

March 3rd, 1925. I am a candidate for Justice of this county; yet much regret to say I am not a candidate for the drinking whisky and horse trading; it certainly is against my principles. Sometimes I think too much has been said about it.

I am looking for votes from the following precincts: Lamb's Creek, Hickman, Hanging Fork, Fairview, Flat Lick, Cedar Grove, Mt. Vernon, Mt. Hebron, Mt. Salem, Mt. Zion, Mt. Olivet, Mt. Pleasant, Mt. Moriah, Mt. Gilead, Mt. Carmel, Mt. Tabor, Mt. Nebo, Mt. Sinai, Mt. Union, Mt. Hope
