EVERY WOMAN SHOULD READ

The most interesting story ever told. The story of a woman who lived through the greatest crisis of our history. The story of a woman who lived through the greatest crisis of our history.

Every woman should read this book. The story of a woman who lived through the greatest crisis of our history. The story of a woman who lived through the greatest crisis of our history. The story of a woman who lived through the greatest crisis of our history.

IF WINTER COMES—

Can Spring be far behind? It is the question that every woman asks as the cold winds of autumn blow. The answer is simple: Yes, but only if you take the right steps now.

NAVY DAY

Friday is Navy Day. The importance of our Navy is a fact of which every citizen should be fully conscious. It is the Navy that protects our shores and carries our commerce across the world.

BERNARD OWLEY AND BEER EDWIN

(With apologies to "The Road")

The Bernards and the Edwins have been the subject of much speculation. It is said that they are planning to visit the great city of New York.
