FINISH ELECTRIC LINE BY AUTUMN
POWER NOW ASSURED

Options on Night-Work Now Being Taken and Work Will Start Soon

The high power electric line from Paris to Carlisle will be completed this summer and the correct line will be laid in the latter part of the year.

Options are now being taken for a night-work crew from Paris to Carlisle and it will start on the line this week.

The electric plant here will be completed by the end of the summer.

When the line is completed, power for Carlisle will be furnished from a hydro-electric plant at Paris.

The plant here will be completed by the end of the summer.
