Athletics in the School
It looks like our school
athletics are going to
be a success this year.

As much as we admire the
man learned in the classics as much
as the student who can do a little
of them.

It is our opinion that the
people who are most
likely to be successful in
life are those who are
most interested in
the things of the
spirit.

Famous Americans and Their Sayings
To the ways of peace and
friendship the prayers
of many people will be
answered. A little more
would do away with our
wars. A little more of
the other man's
rights will keep the
peace.
