

THE INFANT'S BED
 Mothers babies have their rights as individuals and one of the rights of a baby is to have a bed all his own. There is nothing so common as to see a mother try to make a baby's bed for herself. A baby's bed should be made for the baby and not for the mother. It should be made of a material which will not give out and which will not grow soft. It should be made of a material which will not give out and which will not grow soft. It should be made of a material which will not give out and which will not grow soft.

IF THE WAREHOUSES IN every city are filled with goods, it is because the light bulbs and other fixtures have been sold. There is nothing so common as to see a mother try to make a baby's bed for herself. A baby's bed should be made for the baby and not for the mother. It should be made of a material which will not give out and which will not grow soft. It should be made of a material which will not give out and which will not grow soft.
