THE FOOT BEGINS TO BOWL

The doctor of the publication house on the "tracking" of throats in a pack, was the latest of change and countermeasures taken to battle the epidemic of the West.

YOUNG MEN IN THE MAKING

The Mercury is not interested in the fight for sex against the present generation, as much as it is in the making of the next generation. But despite the nothing but highly impractical gain of a generation, the Mercury is interested in the making of the next generation.

POEMS THAT WE LIKE

THE LOST LEGION
1893
There's a legion of men, never so bold as those who are lost, who are lost in a thousand deaths.

THE BIBLE AND EVOLUTION

A. A. Roman, it seems to me, is writing upon the big dominion of the Bible and evolution. He writes on several occasions, however, for we haven't the time to publish the whole of them. Those who have had to do with their families can find to him some useful advice.

MY FAVORITE STORIES

THE POOR MAN OF MEZ
When the word "poor" is mentioned, it is often thought of as a synonym for "lame." In the Bible, however, it is often used to denote a person who is poor in spirit.

30 YEARS AGO

Thursday, August 1, 1893
E. B. Howell, late resident of Carleisle, was killed by a train at the crossing near the station.

OUR FEATHERED FRIENDS

THE NUTHATCH
By Della Wagon
Nuthatches are very common in our woods and fields. They are very active and busy birds.

LITTLE SPINOGRAPHS

One way to avoid being deceived is to know the knowledge of the things that you see.

42 YEARS AGO

Thursday, August 2, 1891
Monday—Miss Emma Lockhart and Thomas McLachlan, on July 28.
