An Ideal Christmas Gift

There is a few fundamental facts regarding every office which should be kept in mind when you are purchasing a typewriter. First, the typewriter should be reliable and efficient. Second, it should be easy to use. Third, it should be a good value for the money. The typewriter is one of the most important pieces of office equipment, and it is one of the most important pieces of office equipment that you should have. It is one of the most important pieces of office equipment that you should have. It is one of the most important pieces of office equipment that you should have.

KENTUCKY NEWS BRIEFS

Local news snippets including mentions of 'The Carlisle Mercury' and other regional events.

Beautiful Design, Superior Quality, Low Priced.

We are showing here a cut of one of the most attractive Early American Styles in Bed Room Furniture.

The Spool Trimmings are very popular. The substantial stretchers give evidence of strength and permanence.

The veneers are beautiful and the finish is in perfect harmony with the style. This suite is made in a group of twelve pieces, in several finishes. We have on display in East Window, a group of five pieces—Vanicer Dressing Table, Bed, Chiffonier, Rocker and Bench—finished Natural Antique Birch.

Priced \$150.00 for the five pieces. This Group May Be Broken If Desired.

Sam T. Howe & Co.
