Now is the time

At your home there is some old job that you've been waiting to tackle. Maybe your wife has been at you fix up the basement, put in new kitchen, or a large room, varnish the floors or repair the roof.

Now is a good time to attend to these jobs. Materials are easier to get than during the rush season. Prices are low. The crew is prompt. Carpenters, painters, and other workmen are not so busy.

You can save money and secure the additional convenience and satisfaction secured from your improvement by doing the work now. Let us estimate today—without any obligation to you—how economically the job can be done.
