Crown Ethyl Gasoline
Ethyl Gasoline Is Here
It Knocks Out That "Knock"
You'll prove it the instant you fill your tank with Crown Ethyl Gasoline and step on the accelerator. No "knocking" in pick-up or when you take the steepest hill on high. Instead—new life to a sluggish motor. More power and sweeter running. Less gear-shifting. And complete elimination of the harmful effects of carbon!
Only 3c a Gallon More
Standard Oil Company
