The Columbia Power Station

In One Of Cincinnati's Great Achievements

This New Station is located at Cincinnati Park

Just Five Miles West of Cincinnati

Present and future industries of every kind can rely on an ample supply of electricity for every need.

Energy enough to raise a mile-high mountain half a foot a day or to power the surface of Lake Michigan five and a half feet a year.

Mabley's Congratulate The Columbia Power Company

Our men are keeping abreast of the times and we, too, in our humble way are making progress.

A visit to Mabley's is always interesting.

We ask you to come and make yourself at home.
