"I Arrived-Safely After A Comfortable Journey"

Even though she may be an invalid or a traveler, there is found to be a certain amount of comfort in her journey because her journey has been accomplished.

And she is thoughtful enough to report to her friends that she has been awarded word from her.

Long distance telephone service is available in almost every place in the United States and in many places in Canada and Cuba. It makes the travel to report, in his or her individual voice and without loss of time, safe arrival at the destination.
