RS FROM MERCURY

Wonderful Results

Have Been Accomplished

Through The Feeding Of

TUXEDO EGG MASH

By many of the largest poultrymen in Nicholas and adjoining counties One man with 200 pullets started feeding three weeks ago and told us a few days ago he was getting 90 to 100 eggs. Another man who began feeding earlier says his hens laid right on through the month.

Many of those who fed "TUXEDO" last winter are calling for it again, and they have evidently told their neighbors about it too

Remember if "TUXEDO" doesn't do

CARLISLE COAL & FEED CO.

Masure beins pastures as much as it does any other crop. Shallow cultivation is best for row

Rabbits as Swimmers
