BUY A FORD
THE REASON

Ford Motor Company delivered motor numbers as follows since January 1925

January 1, 1925 - 10,886,883
July 1, 1925 - 11,841,813
January 1, 1926 - 12,854,249
June 26, 1926 - 13,806,774

These figures give ample reason for the purchase of a Ford car. For only a worth-while product could possibly have shown such a steady increase in sales.

In buying a car, consider first cost, service in car, cost of parts to repair and easy access to parts.
