THOUGHT FOR FOREST WEEK

Behind the question of resource
The forest is the source of our
wealth and of our life.

WORKS IN THE WILDERNESS

It is a pleasure to see the
work of the forest workers
in the wilderness.

For the man who plants trees
it is a joy to see the
generation as well as the
land.

When the forest is cut down
it is a loss to the
country.

Why Another Flood?
In the middle of this
century we have had
three great floods.

Old Favorites
The Brown Throats
The Yellow Warblers
The Red Wings

It will be some time before
the birds will be
back to their normal
numbers.

Signs of Spring

The birds are beginning to
sing and the flowers are
beginning to bloom.

The weather is getting
warmer and the days are
getting longer.

The children are
beginning to go to
school and the
teachers are beginning
to work.

The farmers are
beginning to plant
their crops and the
cows are beginning to
calve.

The children are
beginning to go to
school and the
teachers are beginning
to work.

The weather is getting
warmer and the days are
getting longer.

The birds are
beginning to sing and
the flowers are
beginning to bloom.

The children are
beginning to go to
school and the
teachers are beginning
to work.

The weather is getting
warmer and the days are
getting longer.

WE SHOULD HELP THE BIRDS

By Zella Wiger,
Agricultural Department
International Harvester Company

If we would have birds about us
we must first see to it that the
birds have a place to live.
