Big Cut In Price

Radio Corporation of America wired us a big cut in price of RADIOLA 20. This makes the greatest bargain to be had in radio.

Read the following testimonial from a radio fan, that knows one when he sees it:

To whom it may concern:—

A few days ago I purchased of Harpers Garage a RADIOLA 20, and to make the story short I consider it the best of all radios that I ever heard. For Selectivity and clearness of voice I have never heard anything like it.

Respectfully,

JOE CLAY

Come in and hear this outfit, and let us show you,

Best Value To Be Had

THERE'S NO QUESTION about Adam and Eve having fallen for the apple, but there'd be some satisfaction if they knew that their descendents have been falling for APPLESAUCE ever since.

But remember we are not trying to spread Applesauce when we tell you the FORD CAR is the best value to be had in an automobile. Look at the following comparative prices of low price cars-F. O. B. Factory

	Touring	Roadster	Sedan	Coupe
Ford	$380.00	$360.00	$545.00 (4D) $495.00 (2D)	$485.00
Next Lowest	525.00	525.00	595.00 (Coach)	625.00
Next Lowest	625.00	695.00	625.00 (Coach)	625.00
Next Lowest			675.00 (Coach)	625.00

You will see from the above prices that you will save between the price of the Ford Car and the next lowest price car on the Touring $145.00, Roadster $165.00 and Coupe $140.00. Think what this saving means, and what it will buy for the same time get more service from the Ford than any other, as well as great saving in price of parts when you have to repair. Remember the Ford knows the hard pulls and when to make them and a slight movement of the foot changes your gear. Come in and see the new cars.

THE SINGERS

Men say the strings are broken
Of the magic lutes of old,
That heaven sends no token
Of its silver tongues and gold;
No more the heart's repose,
They say that song is grieving,
In the shadows and the snows.

They do us wrong, for lowly
Although our music be,
It still is sometimes holy
And passionate and free;
We press about the portal
That spes on truth divine,
Our theme is still immortal,
Though gone the mighty line.
Then wrong us not, for lowly
Although our music be,
It still is something holy,
And passionate and free.

From "Dumping" Small Crop Of Tobacco On Independent Market

The Burley Tobacco Growers Cooperative Marketing Association Saturday filed suit in the Nicholas circuit court to restrain Philip Cundiff from 'delivering a crop of approximately 1,200 pounds of tobacco to any person other than the association. A temporary restraining order was granted by Circuit Clerk L. S. Hughes.

The Association alleges the tobacco was grown on the farm of Mrs. Lou Barbee by Kash Morris, who abandoned the crop. Cundiff was employed to strip it and, it is charged, was preparing to dispose of it over a loose leaf floor. Innes B. Ross, local attorney for the Association, filed the suit.
