Finding The Point

A butcher's delivery boy was hit by an auto, and when asked by a policeman if he was hurt; said: 'No but I can't find my point.' But you will find your point when you buy a Ford car you have been looking for so long, and remember we have them ready for you any day.

FOUR REASONS why you should buy a Ford: Lower First Cost, Lower Price For Parts, Simpler To Operate, Easy Access To Parts.

The Ford car has been improved until now it is better than ever before, as well as lower in price.
