

# A JUST BARGAIN

## To The Buying Public

This is a genuine sale of real bargains. There are no "catch- penny" tricks about it. We need the cash and we have marked down all of our stock of new, seasonable merchandise to a figure that will make such an appeal to the buying public that buyers will be eager to exchange their money for real values. Since we have been in Carlisle we have never held an unsuccessful sale. In fact, each sale has been more successful than the last. And the reason is that the bargains offered are always GENUINE VALUES. Our customers know that they are saving money; they know that the merchandise we sell them is of standard grade and not shop-worn stuff. All we ask is that you look. The Bargains we offer sell themselves, for in this sale we are making greater reductions than ever before.
