FIX BAYONETS!

The Mural Close Range Described in a Remarkable Series by Officer of the Marines

Capt. John W. Thomason, Jr. (Copyright 1937 by the Author)

It was nearly midnight when the door opened and a man came in. He didn't smoke on the front of night clothes were not seen. He came in with a look of surprise.

The man who had just come in was not a stranger. He had been in the office of the clerk of the court for some time.

The man who had just come in was not a stranger. He had been in the office of the clerk of the court for some time.

The man who had just come in was not a stranger. He had been in the office of the clerk of the court for some time.

The man who had just come in was not a stranger. He had been in the office of the clerk of the court for some time.

Aspen-Mason, is situated in the far west of the island.

We can now consider your machine as one of the best in the world.

There is also a very nice boat in the harbor. It is a very nice boat.

The man who had just come in was not a stranger. He had been in the office of the clerk of the court for some time.

The man who had just come in was not a stranger. He had been in the office of the clerk of the court for some time.

The man who had just come in was not a stranger. He had been in the office of the clerk of the court for some time.

The man who had just come in was not a stranger. He had been in the office of the clerk of the court for some time.
