Men Marooned by George Marsh

CHAPTER VII The morning dawned to the sight of a white fog which... The men looked at each other...

Green Leaked Up in Michigan

Green Leaked Up in Michigan. The men looked at each other... The men looked at each other...

Why Your Electric Bill Is Running Higher Now

The days are shorter, the nights longer. The daylight hours are short. The electric light hours long.

The accompanying table gives the dark hours of the fall and winter months. Study it carefully. It will explain why your electric light bill is higher in winter than in summer.

Whenever you put your electric light bills are too high, we want you to write us. We will be glad to help you to think it out. We will be glad to help you to think it out.

Dark Hours of Fall and Winter

Table with 2 columns: Month and Hours. Shows the number of dark hours for each month from October to March.

You need never change your oil if you own a Buick

Tests by Buick at General Motors Proving Ground and by Buick owners in every section of the world... under every climatic condition... have proved that you need never change your oil if you own a Buick.
