Make the Home Trip Count
It takes time to roll home from town with the 15th wagon, and time is money. Why not put the home trip to good use!
The next time you are in town to deliver a load, drop in at our office and talk over those repairs you have been thinking about. We shall be glad to give you suggestions on the best way to make them, to estimate the materials needed and to load them on your wagon. In that way you can make the home trip count.
