Living Models

A review of Fall Fashions with Mannequins at the Kentucky Theatre, night of September 28th, 29th, 30th.

The Programme

Night of September 27th—Open House in all the stores starting at 7:30. Special displays and window displays. Special concert and entertainments in many of the stores.

September 28th—Special store and window displays. Mannequin reviews at The Kentucky Theatre in the evening.

September 29th — Same as September 28th.

September 30th — Same as September 28th.

October 1st—Dedicated to The Modes — The Home, with special window and store displays of Home Furnishings.

Specialized Fashion Displays in all the stores.

Beautiful Windows

One of the most interesting features of the event will be the mile and a furlong of striking window displays. Each store is making elaborate plans and you can come with the full expectation of seeing the most unusual windows Lexington has ever shown.

Indeed if you came only to view the entrancing windows your visit will be well repaid.

Continuing Through Oct. 1st

To further a community of interest in culture and commerce throughout the Blue Grass Region of Kentucky.

"Open House"

All stores will remain open and extend a cordial invitation to come and bring the family the

Night of 27th

On that night you can confer Lexington's stores as your very own. Come and see and make yourself "at home." Wander at will wherever you like. Come and revel in all the glorious fabric colorings—the apparel and furnishings of every nature that the modern world affords. Full approval of the courtesy that is due an honored guest.

Special entertainment features planned by many stores for opening night and throughout the week.

The Home A la Mode

Saturday, September 1st, will be dedicated to showing what the Mode reveals for the home. Store that furnish the home will make especial efforts on that day to elaborate their windows and interior displays. If you are interested in the betterment of your home you will be fascinated by the creations displayed.

Sponsored and promoted by The Retail Division of the Board of Commerce of Lexington.

Meet The Mode!

Learn what the Maestros of Fashion decree this Fall—for the Woman—The Man—The Child—the Home!

FALL is setting the stage in Lexington; on the night of September the 27th the curtain will rise—and Lo, the pageant of the most magnificent season of the year will begin! Fashion the Queen, like an opulent Sheba, will marshall her glittering minions—colors as countless and rich as those of the forest—fabrics like shimmering moonlit pools, like flame, like burnished metal, like moss, like mist come second with these—contours that thrill with a perfect grace—the new, the smart, the unique and distinctive—all these will vie in her train.

In Keeping With The Blue Grass Spirit and Tradition

It is fitting that Fashion (what consitutes good manners in apparel and furnishings) should hold forth magnificently in old Lexington. For the glamour of The Old Regime still hovers over the Blue Grass like an halo. And tradition has it that your old Kentuckian held good manners as his contexts with his fellow man, in his dress and home, second only to his valor. He was dimnedly "The Mode" in every meaning of the phrase.

NICHOLAS CITIZENS ARE LAW-ABIDING

Judge Dedman Declares in Opening September Term of Court Tuesday

DOG CASES DISMISSED

The September term of the Nicholas circuit court convened here Tuesday morning with Judge Dedman presiding. In his charge to the grand jury, Judge Dedman complimented Nicholas county upon its lack of lawlessness, declaring it to be the banner county of his district. Not a homicide case has been tried in the local courts for ten years, Judge Dedman said.

Practically all of the first day's session was taken up with the trial of indictments against persons for failing to take out dog license. Of the 78 indictments pending, approximately 70 were disposed of, all of the defendants being dismissed. In many instances it was found dog license had been issued in one name and indictments returned in another name. In other instances it was found the defendants had secured license after the indictments had been returned and Judge Dedman dismissed the cases with a warning to the defendants to secure their licenses earlier next year.

The following juries were empaneled:

Grand Jury — Edgar Darnell, Bruce Hughes, George Bell, C. G. Talbert, Gus Emery, E. B. Reid, Thomas Booth, L. H. Small, J. W. Burnaw, J. B. Barton, G. B. Sapp, George D. McLean. Bruce Hughes was appointed foreman.

Petit Jury—Taylor Arnold, Dan E. Wells, L. P. Hamm, Forest Dalsell, O. W. Sparks, L. V. Jacobs, Robert Alexander, Mort Fryman, J. E. Soper, Hargis McClanahan, Ben R. Vice, John T. Burns, Bruce Hamm, B. W. Smith, A. J. Vinson, Thomas Vaught, W. H. Dalton, John Varner, J. M. Woosnall, James A. Cameron, W. D. Sparks, W. F. Hill, George Hosinger, A. K. Brooks

THREE IN FAMILY DIE

Third Child Injured When Car Goes Over Bank

Note evidence of an automobile tragedy in which three persons lost their lives was discovered near Ashland last Friday by motorists passing the scene. 400 Burley Pool Members Meet

At Lexington Last Thursday To Discuss Plans For Campaign For Sign Up

More than 400 Burley tobacco growers, bankers and business men from all parts of the Burley districts of Kentucky, Ohio, Indiana, West Virginia and Tennessee, brought together in Lexington last Thursday to consider the situation as affecting the campaign of the Burley Tobacco Growers Co-operative Association now in the district, board an address on the achievements and aims of the Burley association by James S. Stone, its president and general manager, brief talks by representatives from a number of sections of the Burley district, in which Mr. Stone was assured of loyal and enthusiastic support from the growers.

It was announced by Mr. Stone at the conclusion of his address that approximately $25,000,000 will be distributed to the growers within the next few months. He said that between $8,000,000 and $7,000,000 will be distributed by October 1, or soon thereafter, and probably by November 1 a final payment on the 1926 crop, or a total of between $16,000,000 and $18,000,000 will be distributed.

Presbyterians Call Minister

Rev. D. T. Brandenburg, of Sharpsburg, Unanimously Called At Meeting Held Sunday

At a congregational meeting of the Presbyterian Church Sunday morning, a call was unanimously extended to the Rev. D. T. Brandenburg, of Sharpsburg, to become pastor of the church. The call was sent to Rev. Brandenburg, and he will announce his decision in a few days.

Rev. Brandenburg preached at the local church about two weeks ago. He has been pastor of the Sharpsburg church for about four years and is a splendid pastor.

The local congregation has been without a pastor since the Rev. W. J. Gammon resigned several weeks ago to accept a call to a church in Missouri.

Hospital Drive To End Nov. 1

If Necessary Pledges Are Not Secured By That Time Plan Will Be Abandoned

Citizens of Nicholas county have but about thirty more days to decide whether or not they want a hospital. County Judge Paul D. Darnall has announced that unless one hundred persons sign a guarantee to give $10 per year for a period of three years for the maintenance of the hospital no further efforts will be made to secure the pledges and the plan will be abandoned.

Approximately 75 pledges remain to be secured. Since the illness of Mr. U. M. Swinford, who was one of the principal workers in securing pledges, little effort has been made to secure the remainder of the pledges and the campaign has lagged.

For many years it has been the fond desire of many Carlisle and Nicholas county people to have a hospital. Now that it is offered, The Mercury cannot believe the citizens will turn down the proposition.

The following contributions to the hospital fund have been reported recently:

James Parsons and family.
Joe Scott and wife
Mrs. G. E. Snapp
R. L. Boone

Judge Darnall requests all members of the soliciting committee who have cards to send them to him, whether they are signed or not.

Mother and Son Hold Reunion

Joe Turner Finds Mother Whom He Had Not Seen For More Than Twenty Years

A reunion between a mother and her son, neither of whom had seen the other for more than twenty years, each believing the other to be dead, was held at Little Rock Saturday when the aged mother, Mrs. Anna Turner, of Cincinnati, exchanged in her arms her son, Joe Turner, whom she had not seen since he was seven years old.

About twenty years ago Mrs. Turner's husband died, leaving her with several small children. Unable to care for them all, Mrs. Turner placed Joe in a home, afterward losing trace of him and believing him dead. The lad was taken from the home, reared by the late H. C. Wells and resided in this county until recently when he left to join his mother.

For several years Mr. Turner had attempted to find trace of relatives. He appealed to Mr. and Mrs. William Turner, of Paris, and to his mother, resulting in the reunion.

MORE THAN $80,000 IN CERTIFICATES ISSUED

To Members of Burley Pool In Eastern District Warehousing Corporation

STOCK IN WAREHOUSES

Approximately $80,000 worth of stock certificates were issued members of the Burley Tobacco Growers Cooperative Marketing Association at the local offices during the past few days. The offie force here was rushed during the issuance of the certificates. Many pool members failed to come in and sign for their shares of stock.

The certificates issued here were to growers of Nicholas and adjoining counties who had delivered their tobacco to the Carlisle market. The stock is in the property of the Eastern District Warehousing Corporation, a subsidiary of the Burley Association. All of the warehouses, redryers and other property of the Burley Association in the Eastern district is included.

ALL DAY CHURCH MEETING

There will be an all day and evening convention of the Disciples of Christ at the Christian church, Maysville, next Monday, October 10, beginning at 9 o'clock, to which all members are invited. National known speakers will be present. Noonday luncheon will be all. Fair To Begin Week from Today

Fourth Annual Free Fair Starts Next Thursday. Band and Other Attractions

One week from today Nicholas county's fourth annual agricultural fair will open in the Growers's warehouse on East Main street and indications point to a most successful event.

As usual no charge will be made. The committee in charge of arrangements for the fair, under the direction of County Agent C. B. Elston, have left no stone unturned in their efforts to make the fourth the biggest and best fair we have yet had.

The agricultural fair is an unselfish enterprise, promoted for the rural citizens of Nicholas county, and the farmers and their friends are urged to attend every day.

The Mt. Olivet band will furnish music during the three days and there will be many other interesting features.

Exhibitors are asked to bring in their exhibits as explained in the catalogues. In the field crops, garden, poultry, flowers, sewing, canning and junior club sewing, exhibitors are asked to bring their displays in on Wednesday afternoon. In the cooking department exhibits must be brought in Thursday morning, are in the livestock department the exhibits must be brought in Saturday morning. The judging of livestock will begin at 10 o'clock and stock must be here before that time.

INDIANA MAYOR JAILED

Mayor John L. Duvall, of Indianapolis, was found guilty last Thursday by a jury in criminal court on charges of bribery and corrupt practice act. The verdict calls for a fine of $1,000 and a sentence of thirty days in jail. Under the law Mayor Duvall is ineligible to hold office for four years after the commission of the crime.

Tomato Crop Is Extremely Light

Receipts Here Not Sufficient To Keep Plant in Operation Every Day

While deliveries of tomatoes to the Carlisle canning plant have been fairly heavy during the past week, the supply has not been sufficient to keep the plant operating at full time, and it is possible that the tomatoes received here will be hauled to Paris to be canned after next week, C. M. Lambert, manager of the plant, stated to The Mercury Tuesday.

The two crops this year is on a par with other crops, Mr. Lambert said, and will be one of the shortest delivered here since the canning plant was started three years ago. Contracts with farmers will pick about 800 bushels per acre, others will have an extremely light yield, cutting down the average.

Mr. Lambert said that 102 acres of tomatoes are being grown in the county this year, while only 80 were grown last year. The yield this year will not be more than 50 per cent or better off the 102 acres as it was off 80 acres last year, he said.

Timekeeper's Shot Kills Madison Boy

Charles Minter, 15 Years Old, Is Fatally Wounded by Accidental Discharge of Revolver

Charles Minter, 14 years old, member of the sophomore class of the Madison high school at Rich mond, was struck in the forehead and fatally injured by bullet from a .38 calibre resler fired by the timekeeper to end the first quarter of the opening foot ball game between the Richmond and Winchester high schools at Richmond last Friday.

The boy was rushed to the hospital at Richmond, where he died Monday morning without regaining consciousness. He was the son of Mr. and Mrs. Robert Minter, of Richmond, and a nephew of L. S. Robbins, of Carlisle.

The boy was standing on the top row of seats in the bleachers, and as he was struck a fall to the ground of about ten feet was prevented by companions, who caught him as he fell.

Ben R. F. Gabby, the timekeeper, a former instructor in the high school at Richmond, is grief stricken. He said he had borrowed the revolver from a member of the Richmond police force and was unaware that it was loaded with ball ammunition.

Gene Tunney Retains Crown

Gets Decision Over Jack Dempsey In Ten Round Bout

Gene Tunney successfully defended the world heavyweight championship at Soldier Field, Chicago, last Thursday night against the challenge from Jack Dempsey when he carried off the judge's decision in a ten round match before a record breaking crowd of 150,000 that paid $2,800,000 to see the flashy battle.

Tunney came back to win the battle in a brilliant rally in the last few rounds after being knocked down for a count of nine in the seventh round by a smashing right to the jaw, followed by a left. Dempsey seemed to have the title in his grasp at this stage, as the slashing attack had Tunney in retreat, but the champion landed on the defense and weathered the storm until his head cleared.

The knockdown of the seventh round and a few briefly sustained drives from Dempsey was cut-boxed and outfought by the big Marine, who seemed much the master and stronger.

10,000 DEMOCRATS ATTEND OPENING

Governor Beckham Speaks to Great Audience at Danville Saturday Afternoon

OPPOSES PARI-MUTUELS

Before a crowd estimated at between 7,500 and 10,000 persons former Governor J. C. W. Beckham launched his campaign as the Democratic nominee for Governor of Kentucky at Danville Saturday afternoon. The meeting was one of the most enthusiastic and largely attended political gatherings ever held in Kentucky, practically every section of the state sending delegations.

United States Senator Alben W. Barkley presided at the meeting and in addition to the address of Governor Beckham speeches were made by former Senator A. O. Stanley, Mrs. J. Campbell Cantrill, Thomas S. Rhea and other prominent party leaders.

Mr. Beckham declared himself in favor of a repeal of the pari-mutuel system and opposed to a tonnage tax on coal.

Highlights in his address were:

Approved the present plan of the State Highway Commission in road building and promised continuance of the plan.

Promised to devise a plan for remedying condition in charitable and penal institutions.

Declared an efficient and business like administration would relieve the burdens of the farmer and promised such an administration.

Declared himself a sincere friend of labor and in favor of laws for the benefit of the laboring man.

Refused to make rash promises and said if elected would go into office without a single embarassing obligation or alliance.

Mr. Beckham scored his opponent, Judge Flem D. Sampson for delivering parts of his address given out in advance to the state press, in his opening address at Lexington. He offered no criticism of the Fields administration.

Oct. 9-15 Is Fire Prevention Week

Citizens of Nation Asked Asked To Take Precautions To Prevent Appalling Fire Loss

The week of October 9th to 15th has been designated as fire prevention week. America is always boasting about having the biggest, or the best, or the most, or the wealthiest of everything. Of course we have greater fire losses than any other people, amounting in 1926 to $560,548,624, known because of insurance policies paid. But there are losses that are not covered by insurance, so the sum is greatly in excess of $60 million dollars worse in our history. The fire losses were $85,320,000 or the seaboard.

October is the month that begins to warn of approaching cold weather. How are the chimneys? Everything all right with the stove pipes? Have you any accumulations of oily rags or stuff that easily start spontaneous combustion? Is the insurance policy again. It will remind you of all that ought to be done to prevent fires. And again let us call your attention to the murderous folly of pouring kerosene oil into a stove to kindle a fire. Light it with oil-soaked coke.

The oil lamp and lantern are always hazards if put where any thing else overturns them when lit. The creeping child gets hold of the tablecloth and pulls the lamp down. In the barn the lantern needs especial safety devices such as a wire on which to hang it and slide it along when feeding or milking. Hang the lantern on the wire by a snap. Fire prevention week is worthy of your attention for it is meant to benefit you.

BOY CHOKES HAWK

John Hargis, four year old son of Mr. and Mrs. Lem Hargis, of Bowen community, won a battle with a large hawk that had been stealing his mother's chickens. The boy amazed her when he brought her the hawk, which he had choked to death. When the bird went after a brood of chicks, the mother hen fought until the boy went to the hen's rescue. In the battle with the hen the hawk apparently did not detect the child's approach and he seized it by the neck.

Charged With Burning Straw

Sidney Cox Accused of Tossing Match Into Strawstack on Farm of Taylor Smith

Sidney Cox, farmer of the Jacktown vicinity, was arrested by Deputy Sheriff Amos W. Stamper Monday morning on a warrant from Bourbon county charging him with having burned a strawstack on the farm of Taylor Smith, farmer of the Jackstown section. He was brought here and lodged in jail, after which Sheriff R. M. Gilkey, of Paris, came here and returned Cox to Paris.

Cox is alleged to have become angered at Mr. Smith or a member of his family and while walking along the road to have tossed a lighted match into the strawstack, which was near the road.

Carlisle Wins Opening Game

Lead Team Journeys To Paris Last Friday and Swamps Paris High 26-0

The Carlisle high school football team made a flying start last Friday afternoon when it swamped Paris by the score of 26-0 in the opening game of the season, played at Paris.

The local team made nine first downs, while Paris made but three, each of them the result of a blocked punt.

Barnett, local halfback, was the first to cross the Paris goal line, making a clean getaway on a fake play soon after the beginning of the second quarter. Clark, quarterback, accounted for two of the touchdowns, while Conley made the other.

The team started off better this year than usual in the opening game, and unless several of the old members are crippled or become ineligible this should prove a very successful year.

Following was the line-up:

Carlisle		Paris
Earlywine	L. E.	Haley
Huddleson	L. T.	T. Beattie
Fields	L. G.	Bowen
Martin	C.	R. Bratton
Durham	R. G.	Day
Snapp	R. T.	Sandusky
Curry	R. E.	McManaway
Barnett	L. H.	Galtskill
Conley	R. H.	Terry
Payne	F. B.	Parrish

The first game of the season will be played here Friday afternoon when Paterson high school comes here for a game. The two teams are well matched and a good game is expected.

Husband Kills Wife and Escort

Four Little Children Left Motherless When Boyd County Man Follows Wife and Man

Four little children were left motherless when their jealous father, Joseph Smith, 24, and her escort, a worker at Ashland, shot and killed his estranged wife, Mrs. Minnie Kelley Smith, 24, and her escort, Okey Gamble, 32, also a mill worker at Ashland, Boyd county, Sunday night.

The Smiths had been separated for five months. Gamble had been a boarder in the home. Smith tried to persuade his wife to return to him Sunday afternoon and when she refused he threatened to kill them. He followed her when she left Ashland in a motor with Gamble. When Gamble stopped to allow Mrs. Smith to go in a store at Rockdale, Smith stepped out of his car and shot Gamble. Then he then went into the store, dragged his wife into the road and killed her. Smith returned to Catlettsburg and surrendered.

The four children of the Smiths range in age from 8 months to 6 years old.

HERALD FOR BECKHAM

Newspaper Prints Editorial In Support of Ticket

The Lexington Herald, one of the staunches and most effective supporters of Robert T. Crowe in the recent Democratic primary, Sunday day printed an editorial in favoring the election of J. C. W. Beckham and the entire Democratic ticket.

Sunday's editorial was the first expression from the Herald since the primaries regarding the policy it is to pursue in the state campaign this year.

CLARK GIRL KILLED

Miss Betty Reiss, 19 years old, daughter of Mr. and Mrs. L. S. Reiss, of Beckersville, Clark county, was instantly killed Sunday morning at 11:15 o'clock when a car which she was driving collided with a car driven by Dr. W. D. Rice, Winchester druggist. The accident occurred at a street intersection in Winchester. Miss Reiss was thrown from the machine against a fire plug and was dead when picked up.

Boy Victim of Mystery Shot

Perry County Lad Bleeds to Death Small Bullet Hole Found in Right Lip

The note lips, stilled by death, of Vernon Vermillion, seven-year-old son of John Vermillion, of Tribbett, Perry county, guard the mystery surrounding the manner in which he met his death.

Little Vernon was fatally wounded, in some manner, in some place unknown, and bled to death.

There was a small bullet hole in his upper lip, just below the right nose hole. He bled to death in the night.

At 7 o'clock in the morning Vernon was heard to scream. His mother rushed into the room in his grandfather's house, where they had been sleeping, and found him in a pool of blood, which had come to death by the stream of blood which was pouring from his mouth.

He was unable to tell how he had been shot, and the condition of the blood on the bed and floor would indicate that he had been bleeding for most of the night.

It is thought that a bullet had been fired on the hillside above the bed room occupied by Vernon.

The bullet is thought to have entered the room through an open window, striking Vernon in the face as he lay sleeping.
