NEWSPAPER VIEWS: "Darius Tribune" says that these four years ago, but that's their own fault.

LONG distance telephone service has recently been extended to Campton, Ky., the county seat of Wolf County, and to Pine Ridge in the same county.

To give Campton its first long distance connection with the Bell System a new toll route was constructed between Winchester and Jackson, via Campton, a distance of 75 miles, at a cost of more than \$150,000.

This expansion of the long distance service makes an important section of Kentucky available to the rest of the state and nation.

The service to Campton and Pine Ridge is as dependable a service to other distant points and will be maintained at the high standard with which you are familiar.

THE PRESIDENTS QUESTION GAME

PREPARED BY THE NATIONAL AMERICANISM COMMISSION OF THE AMERICAN LEGION

How Many Can You Answer? Thirty names of our Presidents will be used for President this year. Do you know who have been our Presidents, how they were elected, what they did, why they are the best remembered? These games are good fun, and good Americans, young and old will enjoy them.

NAME THE PRESIDENTS OF THE UNITED STATES IN THEIR ORDER. There have been 29 Presidents, but 19 are listed, because Cleveland served two disconnected terms. The answers filled in for you below will give you a good start.

Answers to the question in Game Number One will be found on another page. These and hundreds of other questions about our Presidents are answered in a 48 page booklet, "Presidents of the United States," which the American Legion has arranged to have delivered to any reader for SIX CENTS to cover postage and handling cost.
